Rec'd CHIEF SECRETARY 20 NOV. 1942 GOVT OF MYSORE

Dear sir,

Sub: Acquisition of lands for the construction of railway siding for the Hindustan Aircraft.

We understand from the Chief Engineer, M. & S.M. Ry. that permission has been sought for the acquisition of certain lands in the Bangalore south taluk for the construction of railway siding.

As this acquisition is meant for the combined purpose of instituting the railway siding by the M.& S.M. Ry. and the construction of approach roads by us for other operations we write to request early action to acquire these lands under the provisions of the Mysore Land Acquisition Act dispensing with the formalities required under sections 4 and 5 (a) thereof.

As the matter is one of great urgency we request you to accord to us your usual co-operation by authorising the Land Acquisition Officer to obtain for us immediate possession of these lands under section 17 of the Land Acquisition Act.

The schedule of survey numbers of lands involved is herewith enclosed. The actual extent of portions to be acquired will be submitted well before the actual acquisition proceedings.

Very truly yours,
HINDUSTAN AIRCRAFT LTD.

Dear Sir,

Adverting to letter No.M.42/260 dated 19-11-1942, from the Officiating General Manager, Hindustan Aircraft Company, to your address in connection with the acquisition of lands for Railway siding and other operational roads, I beg to state that the alignment of the new railway road from the Hindustan Aircraft towards the north was inspected by you this morning, when the Officers of the Company were also present.

As per Chief Secretary's instructions, muchalikas have been obtained from almost all the land owners, except those whose lands are also required, agreeing to hand over their lands for the construction of the proposed Railway line. The Lady Superior of the Covenant a portion of whose lands near mile No.5 in the Madras Road will have to be acquired is not in the Station and her consent will be taken as soon as she returns to Bangalore. The other person who has declined to execute the mutchalika is Mr. Byappanahalli Puttiswamappa in whose mango garden the proposed chord line is going to be started from the main line. A notice has been issued to him to hand over the land subject to the payment of compensation in due course. There is no standing crop on the land and his refusal to give possession of the land is not based on any valid ground. If he still persists in refusing to comply with our request which is based on War Emergency Works a notice under Defence of India Act will have to be served on him requisitioning for the lands, as there is no time to go through the formalities prescribed in the Land Acquisition Act. A draft notice in duplicate is herewith submitted for your kind signature and return.
